

# ESTIMATE WORKSHEET

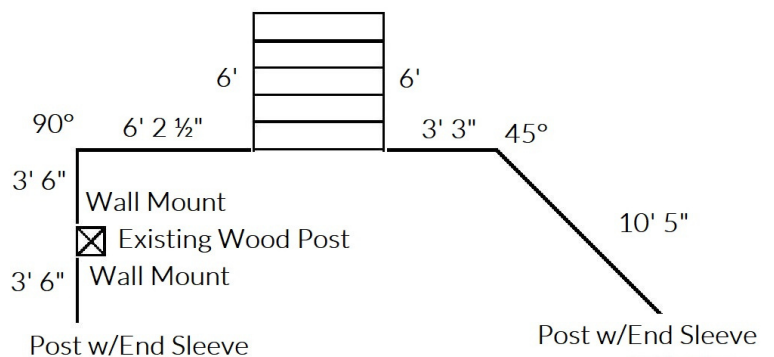

## INSTRUCTIONS

Please provide a bird's eye view sketch of your railing project.  
 Drawing does not need to be to scale.  
 Our estimators will determine the proper post placement in relation to the engineering guidelines for your preferred system

### NOTE THE FOLLOWING:

- Length of each run
- All angles in degrees (if unknown, use xx°)
- At termination points, indicate whether you want a post with end sleeve or wall mounts
- Changes in elevation (step down on deck)
- Location of stairs that require railing  
 Indicate # of stairs and angle (if known)  
 Indicate if you want railing on one or both sides of the stairs  
 Length of each stair run(s) at the angle
- Location of gate(s)
- Location any existing structures that will remain as part of the project
- Any other pertinent information that will affect system design

### EXAMPLE

## PROJECT NOTES

# PROJECT DATA

## PROJECT CONTACT INFORMATION

Project Name: \_\_\_\_\_ Project Address: \_\_\_\_\_

Primary Contact Name: \_\_\_\_\_

Business Name (if applicable): \_\_\_\_\_

Phone Number: \_\_\_\_\_ Email: \_\_\_\_\_

Role:  Homeowner  Contractor  Other (please specify): \_\_\_\_\_

## DEALER CONTACT INFORMATION

Dealer Contact Name: \_\_\_\_\_

Business Name: \_\_\_\_\_ Store Location: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Email: \_\_\_\_\_

## DESIGN SPECIFICATIONS

### COLOR

- Satin Black
- Gun Metal Gray
- Oil Rubbed Bronze
- Rust Texture
- Textured Black
- White
- Undecided (bid standard color)
- Other (please specify): \_\_\_\_\_

### COASTAL PRIMER

If your project is within one mile of the coast, this is a requirement.  Yes  No

### DECK RAILING

#### Top Rail Profile

Square

Round

Other (Please Specify): \_\_\_\_\_

#### Top Rail Configuration

Single Top  Double Top

#### System Type:

##### Welded Picket

- Standard
- Slat
- Basket

##### Glass

- Clear Standard Glass
- Clear Custom Glass
- Tinted Custom Glass
- Satin Etch Custom Glass
- Self-Cleaning Glass

##### Component Picket

- Standard
- Slat
- Basket

##### Cable

- Standard Fittings
- Low Profile Tuners

##### Other

- Horizontal Flat Bar
- Topless Glass

##### Fencing

- Triple Rail Continuous Top
- Triple Rail Staggered Top
- Double Rail

#### System Height:

- 36"
- 42"
- Other (please specify): \_\_\_\_\_

#### Mounting Type:

- Surface Mount
- Fascia Mount
- Combination (Please note on drawing)
- Other (please specify): \_\_\_\_\_

#### Deck Surface:

- Wood/Composite
- Concrete
- Tile over Wood
- Tile over Concrete
- Pavers (please specify): \_\_\_\_\_
- Vinyl:
- Other (please specify): \_\_\_\_\_

## STAIR RAILING

If project includes stairs, please complete the following.  
NOTE: Per code, stair height is 36" tall.

### Top Rail Profile

Rise: \_\_\_\_\_ Run: \_\_\_\_\_ Number of Stairs: \_\_\_\_\_

### Stair System Type

#### Welded Picket

- Standard
- Slat
- Basket

#### Glass

- Clear Glass Parallelograms
- Tinted Glass Parallelograms
- Satin Etch Glass Parallelograms
- Self-Cleaning Glass

### Stair Mounting Type:

- Surface Mount
- Fascia Mount
- Combination (Please note on drawing)
- Other (please specify): \_\_\_\_\_

#### Component Picket

- Standard
- Slat
- Basket

#### Cable

- Standard Fittings
- Low Profile Tuners
- Other
- Horizontal Flat Bar
- Topless Glass
- Top Rail Only

### Stair Surface

- Wood/Composite
- Concrete
- Tile over Wood
- Tile over Concrete
- Pavers (please specify): \_\_\_\_\_
- Vinyl:
- Other (please specify): \_\_\_\_\_

## GATE(S)

### Gate Type

- Single Gate (max opening = 48")
- Double Gate w/cane bolt (max opening = 72")

### Gate Latch Type:

- Lokk Latch Assembly (Standard)
  - Black  White
- Lokk Latch Magnetic (\$\$\$)
  - Black only
- Magna Latch Side Pull
  - Black  White

### Stair Mounting Type:

- Match Deck Rail System
- Match Stair Rail System
- Other (please specify): \_\_\_\_\_

### Gate Hinge Type

- 3" Self-Closing Hinge Set
  - Black  White
- Wall Mount KwikFit
  - Black  White

## NOTES
